OUR STORY

It all started 7 years ago, with one helper and a family waiting for her in the car!

RF Cleanline Services, founded in September 2016 by Faissal and Rawad Timani, has evolved from a small startup into a top cleaning company in Lebanon.

Starting in **Bshamoun**, they offered soft cleaning, monthly

contracts, and car deep cleaning. Their rapid popularity led to expansion across **Aitat, Soug EL Gharb, Choweifat, Aramoun, and Bshamoun.**

In February 2023, RF Cleanline Services expanded to **Verdun**, introducing new services. By October 2023, they opened a branch in **Khaldeh**, covering more areas with over 200 professionals.

RF Cleanline Services succeeds by offering great service, adapting to the market, and meeting customer needs. With their experienced team and variety of services, they're set for continued success in Lebanon's cleaning industry.

We're dedicated to offering an outstanding cleaning experience, backed by years of expertise. Our diverse team is rigorously trained to deliver top-tier service, using only premium detergents and specialized tools. Equipped with everything needed, we ensure efficient and effective results for your space.

At RF Cleanline Services, our aim is simple: high standards, quality service, and customer satisfaction. We strive to expand our reach and services to meet evolving needs.

MISSION & VISION

At RF. Cleanline Services, our mission is that our customers are evidence of our achievements, based on our experience in the cleaning industry.

Our vision is to meet the growing demand of the cleaning industry with the latest art of technology to exceed our customer requirements.

Our Values are to ensure that our customer gets the best service available in the Cleaning Industry to provide Premium and Luxury service and ultimately exceed customer expectations.
